

Atmospheric Radiation: 30 June - 1 July 1993, Tromso, Norway

by Knut Stamnes; European Optical Society; Society of Photo-optical Instrumentation Engineers

Technical Papers Jun 29, 1993 . Underwater Light Measurements: 29 June 1993, Tromso Juni 1993 Atmospheric radiation : 30 June - 1 July 1993, Tromsø, Norway. Atmospheric radiation: 30 June-1 July 1993, Tromso, Norway . Atmospheric radiation : 30 June - 1 July 1993, Tromso, Norway /. Knut H. Stamnes, chair/editor ; sponsored by European Optical Society, SPIE. imprint. Number 13, June 1993 - International Permafrost Association Buy Atmospheric radiation: 30 June-1 July 1993, Tromso, Norway (Proceedings EurOpt series) by (ISBN: 9780819413086) from Amazons Book Store. Free UK Atmospheric radiation: 30 June-1 July 1993, Tromso, Norway May 30, 2012 . Atmospheric Radiation: 30 June-1 July 1993, Tromso, Norway (Proceedings Europt Series). image. Over View. Product Name: Atmospheric Atmospheric Radiation: 30 June-1 July 1993, Tromso, Norway Solar Ultraviolet Radiation: Modelling, Measurements and Effects - Google Books Result Jul 1, 1993 . Get this from a library! Atmospheric radiation : 30 June-1 July 1993, Tromsø, Norway. [Knut Stamnes; European Optical Society.; Society of 0819413089 Atmospheric Radiation by Knut H. Stamnes - ISBNPlus The spectral albedo of snow surface and the radiant flux density inside the snow are investigated by a multiple scattering model for the atmosphere-snow system .
